## THURSDAY FELLOWSHIP

In ‘Uncover’, Becky Manley-Pippert, who wrote this series says: “We are about to read of several people who encountered Jesus and whose lives were profoundly changed.

These studies are taken from the Gospel of Luke, who was a non-Jewish writer and a doctor. He was a thorough and careful historian, fascinated that there was no person whom Jesus could not reach, no boundary he could not cross.”

The stories are relevant to us today and you are invited to “uncover, investigate and examine what Jesus has done and can do in our lives today”.

You are warmly invited to join us.

Tony
