HARVEST

We have just spent a few wonderful days in Suffolk and Norfolk. The harvest was in full swing, and the crops looked really good. In addition to wheat and barley, in East Anglia you see a lot of potatoes, maize and sugar beet. Those crops will be harvested much later, but they looked promising. We saw huge numbers of pigs. There were cattle grazing on the marshes, apparently some come down from Scotland for the summer. Farmers have made a great investment to secure a harvest.

God has made a great investment in us; by sending Jesus to sort out our lives so they might bear fruit and be a witness to him.

As a small part of that fruit, we will be again supporting the North Cotswold Food Bank and donations for the Harvest Lunch will go to our Tear Fund and World Vision Child Sponsorship Schemes.

Please join us in these efforts.

Every blessing
Tony
